

Verse 1:

You Spoke The World Into Existence
You Put Each Star In Their Place
With Just The Whisper Of Your Breath Created Life

You Guide The Rhythm Of Each Heartbeat
Turned The Darkness To Light
Every Season Has Its Place Because Of You

Pre-Chorus:

Surrendered To You
With My Hands Lifted High
This Life Will Declare
That You Are God

Surrendered To You
With My Hands Lifted High
This Life Will Declare
That You Are God
You Are God

Verse 3:

Strong Enough To Move The Mountains
Your Words Command The Seas
Yet You Choose To Make A Home Inside Of Me

An Ever Present Help In Trouble
A Shelter From The Storm
There's A Hope We Can't Imagine In Your Arms

Pre-Chorus:

Surrendered To You
With My Hands Lifted High
This Life Will Declare
That You Are God

Surrendered To You
With My Hands Lifted High
This Life Will Declare
That You Are God
You Are God

Chorus:

Cause Your Strength In Mine
My Hope Is Found Inside This Love, This Love
And Oceans May Rise
But Nothing Will Divide This Love, This Love
This Love
